You're only a private plane ride away from this St. Bart's getaway – Le Barthelemy

With people itching to travel but craving added privacy with the travels they are able to book, the travel industry is offering some incredibly luxe options for those who want to splurge on their future trip. It's more than an extravagant hotel room with impeccable design; instead, it is the true height of luxury with private planes, personal butlers, or exclusive use of a yacht. Here are 10 options that will have you looking forward to when travel resumes.

[Le Barthélemy Hotel & Spa](#)

Private jet, private yacht, private pool—it doesn't get much more luxurious than that. Guests who book the [Ultimate Escapism](#) package at this St. Bart's gem arrive by private jet from [Tradewind Aviation](#) and can nestle right into their oceanfront suite. Days can be spent in the glorious Caribbean waters or lounging in the suite's plunge pool, and guests also have access to a yacht for a sunset cruise. Book by January 1, 2021.
