

## Top Destinations for a Perfect Honeymoon in the Caribbean

Now that you and your partner are past the pre-wedding stress and wedding high, a well-planned honeymoon vacation is a great way to relax and unwind for the first time as a married couple.

A honeymoon is a once-in-a-blue-moon trip—it should be memorable as it is enjoyable for the couple. However, what it means to have a “perfect honeymoon” is as subjective as “having the perfect wedding theme” and “perfect dress.” In simpler words, there is no one-size-fits-all solution.

However, there’s a place we all know all couples will surely love—the Caribbean! We believe all couples dream of spending their honeymoon in one of the most beautiful tropical paradises here on Earth!

With enough budget, you can fulfill your Caribbean honeymoon dreams in any of the best travel destinations in the area! We understand the stress of choosing the best spot for you and your partner to enjoy. Therefore, we rounded up a few places we’re pretty sure you and your partner will enjoy and adore.

Fuel your married life with any of the best vacation spots in the Caribbean:

### **Le Barthelemy Hotel & Spa**

If you like a hint of French escapade by a beach resort, then the elegant St. Barth’s hotel is worth considering. The rooms are clean and sexy, and the marble bathrooms feature deluxe Hermès Eau d’Orange products—a total luxurious experience, for sure!

The cuisine is impeccable—revel in house-baked bread, handmade pizzas, and French meals like braised oxtail! The lead chef is an internationally renowned chef with vast experience in Michelin-rated restaurants, William Girard.

Aside from a luxurious dining experience and service, the hotel & spa offers many water sports you wouldn't usually find in conventional hotels! If you want an elegant and adventurous honeymoon experience, this is the perfect place to go!
